PART 1. THE SABOTEURS RUNNING IN THE BACKGROUND

These are old strategies that once kept me safe and now steer without my permission. They are not flaws. Tick the ones you recognise.

Saboteur	When it shows up	What it tells me	What it costs me, and which value it sacrifices
☐ Controller *control feels like safety*			
☐ Pleaser *keeping everyone comfortable*			
☐ Hyper-Achiever *worth tied to results*			
☐ Restless *always scanning for what is next*			
☐ Other: _____ *in my own words*			

PART 2. MEETING MY INNER LEADER

What this saboteur has been protecting me from:

When I respond from my Inner Leader, calm and not reactive, I would:

This week I will notice it in the moment when:
