WITHINWORKS LEADERSHIP · PRINT BRIEF

Folder A · The path

Product	Presentation folder with one inside pocket. Her business card is printed on the pocket flap
Closed size	9 x 12 in (229 x 305 mm). Open flat: 458 x 305 mm, plus the pocket flap
Pocket	Folds up inside the back cover, about 120 mm deep, with a glue tab on each side. Pocket top edge cut to a soft curve
Business card	Printed on the pocket flap as part of the artwork, 89 x 51 mm. No slits and no separate card
Front	The S-curve on the front is printed, not cut. (A real fold-over flap would need an extra panel and printing on both sides; please quote it separately if possible.)
Stock	Forest green linen board, around 350 gsm (or your closest dark green textured stock)
Finish	Gold foil on the W mark, "WithinWorks Leadership" and the line under it (front)
Inside	Unprinted. One-sided print on the outside only
Files	Page 2: flat artwork with bleed. Page 3: the same with the die line on top (magenta = cut, blue dashed = fold). CMYK, 3 mm bleed, fonts embedded
Die line	Drawn on page 3. Please adjust it to your standard 9 x 12 in pocket folder die if needed
Proof	Please send a digital proof, and a printed proof of the colour before the full run
Quantity	To confirm with your quote

Outside view, flat. Magenta = cut. Blue dashed = fold. The pocket folds up inside the back cover; its art is turned to read correctly once folded.
