WHAT I DO

The decisions and challenges in front of you, at work.

Transformational coaching

The patterns, values and beliefs underneath them, so change lasts.

How I work

I deeply listen and I curiously ask. The answers, and the next step, are yours.

WHO I WORK WITH

At a turning point

A new role, a new country, or a chapter still unnamed.

Founders

Rebuilding as the ground beneath leadership keeps shifting.

Teams

Leadership teams learning to give feedback, delegate and lead together.

Family business heirs

You're taking a seat someone else built.
