WITHINWORKS LEADERSHIP · PRINT BRIEF

Folder A · The path

Product	Presentation folder with one inside pocket. Her business card is printed on the pocket flap
Closed size	9 x 12 in (229 x 305 mm). Open flat: 458 x 305 mm, plus the pocket flap
Pocket	On the inside right panel, 4 in (102 mm) deep. Pocket top edge cut to a soft curve
Business card	Printed on the pocket flap as part of the artwork (page 4), 89 x 51 mm. No slits and no separate card
Front	S-curve die-cut flap on the front (see page 5). The lighter green area is the layer showing beneath the flap.
Stock	Forest green linen board, around 350 gsm (or your closest dark green textured stock)
Finish	Gold foil on the W mark, "WithinWorks Leadership" and the line under it (front)
Inside	Plain linen, no print beyond the texture shown
Files	Page 2 outside (back l front), page 3 inside, page 4 pocket flap, page 5 cut and fold guide. CMYK, 3 mm bleed on every side, fonts embedded
Die line	Please apply your standard 9 x 12 in pocket folder die line. Page 5 shows where we would like the cuts and folds
Proof	Please send a digital proof, and a printed proof of the colour before the full run
Quantity	To confirm with your quote

IN HER WORDS

“We don’t always need advice. Sometimes we simply need the space to find our own answers.”

Folder A · The path · cut and fold guide

Guide only, not to scale for cutting. Magenta = cut. Blue dashed = fold.

The S-curve is drawn where it falls on the front cover, seen from the inside (mirrored).
