A NOTE FROM MEGHA

There are no right answers here.

Take your time, skip what doesn't speak to you, and come back to it whenever you like.

The answers are already within you.

SHOWING UP

Each time you sit with this journal, add a mark.

No streaks to keep. Just a record of the times you made space for yourself.

Where I am

Notice where you are,
before deciding where to go.

WHERE I AM

This week has felt mostly...

- [ ] Calm
- [ ] Busy
- [ ] Heavy
- [ ] Exciting
- [ ] A bit of everything

What made it feel that way?

WHERE I AM

If this week had a weather forecast, what would it say?

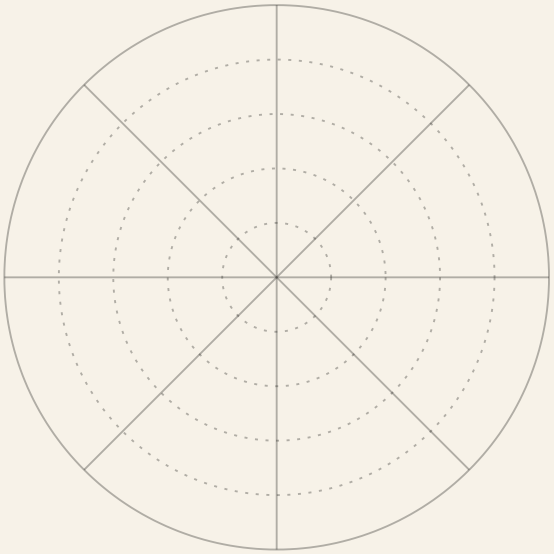

WHERE I AM

My life right now, in three words.

WHERE I AM

The wheel

Name each slice: work, money, health, family, friends, growth, fun, home, or your own. Then shade each one from the centre, 1 to 10.

Which slice surprised you?

WHERE I AM

Your day as a line.

Draw where your day rose and where it dipped.

The high point:

The low point:

WHERE I AM

How I feel, and why.

HOW I FEEL

WHY I FEEL THIS WAY

TRY THIS

For one day, notice every time you say “I should”. Keep count here.

What matters

Your values are already there.
This is about noticing them.

WHAT MATTERS

Circle the words that feel most like you.

Freedom Family Growth Honesty Calm
Adventure Kindness Security Creativity
Courage Balance Success Faith Fun Respect
Learning

Which one surprised you?

WHAT MATTERS

What would you do more of if no one was keeping score?

WHAT MATTERS

When did you last feel most like yourself?

What was different?

WHAT MATTERS

Five things that make a good day for me.

WHAT MATTERS

Draw your favourite place.

Somewhere real, or somewhere you imagine.

WHAT MATTERS

What fills me up, and what drains me.

FILLS ME UP

DRAINS ME

TRY THIS

Give 20 minutes this week to something that matters only to you. What did you choose, and how did it feel?

What holds me back

These patterns once protected you.
Let's get curious about them.

WHAT HOLDS ME BACK

When things get hard, I usually...

- [ ] Take control
- [ ] Keep everyone happy
- [ ] Work harder
- [ ] Move on to the next thing
- [ ] Something else

What does it cost me?

WHAT HOLDS ME BACK

What I can control, and what I can't.

IN MY HANDS	NOT IN MY HANDS

WHAT HOLDS ME BACK

If your inner critic had a name, what would it be?

What does it say most often?

WHAT HOLDS ME BACK

Think of a recent setback.

THE FACTS

THE STORY I TELL MYSELF

WHAT HOLDS ME BACK

What are you waiting for permission to do?

Whose permission?

WHAT HOLDS ME BACK

Scribble everything that's on your mind.

Then turn the page.

TRY THIS

Next time that inner voice speaks, pause and ask: is this true? Note what you noticed.

HALFWAY

You are halfway.
Sign your name
as many times
as you like.

At my best

Remember who you are
when you feel steady.

AT MY BEST

Me on a hard day, me on a good day.

ON A HARD DAY

ON A GOOD DAY

AT MY BEST

I am at my best when...

AT MY BEST

Under pressure, I would like to be...

- [ ] Calmer
- [ ] Clearer
- [ ] Kinder
- [ ] Braver

What would that look like?

AT MY BEST

What would the people closest to you say you are great at?

AT MY BEST

Draw yourself at your best.

Stick figures are very welcome.

AT MY BEST

Write a short note to yourself from one year from now.

TRY THIS

Ask two people what they value in you.
Write their answers here.

My next step

Small steps count.
Choose one.

MY NEXT STEP

What would you try if you knew you couldn't fail?

MY NEXT STEP

The area I most want to grow in...

- [ ] Work
- [ ] Relationships
- [ ] Health
- [ ] Confidence
- [ ] Purpose

One small change I could make:

MY NEXT STEP

Start, stop, keep.

START

STOP

KEEP

MY NEXT STEP

What is one small step you can take this week?

MY NEXT STEP

What I’m holding on to, and what I can let go of.

HOLDING ON TO

READY TO LET GO

MY NEXT STEP

My promise to myself

SIGNED

DATE

TRY THIS

Put a date on your first step, and tell one person about it.

LOOKING BACK

Read back from the beginning.

What has changed?

LOOKING BACK
